INSTRUCTIONS FOR ORDERING MADE -TO-MEASURE STOCKS

HAND DIAGRAMS ARE REQUIRED WHEN YOU ORDER MADE-TO-MEASURE TARGET, CAMP PERRY, TROOPER, DETECTIVE AND ROPER STOCKS.

**THESE
INSTRUCTIONS
ARE VERY
IMPORTANT**

**PLEASE
FOLLOW
THEM
CAREFULLY!**

On a large sheet of paper or Herrett's order form, list your name, address, the make and model, caliber and barrel length of your gun. On revolvers also list the type of hammer and barrel length. Send butt tracing to verify round or square butt models. Place your shooting hand palm down on the sheet of paper with thumb and trigger finger spread comfortably, keep the remaining three fingers together. Take a fine leaded pencil hold it straight up and down and trace around the hand from wrist to wrist. Without removing hand from the paper apply pressure and make a dotted line from wrist to first knuckle of the pinky finger, this allows for the fatty tissue in the hand.
